THE BENEFIT OF GOOD ADVICE. Thanks to MRS. WINSLOW'S SOOTHING SIRUP, we have for years been relieved from sleepless nights of painful watching with poor suffering, teething children.

From Our Own Correspondent. ALBANY, Saturday, Jan. 12, 1861.

Mr. Hammond made a strong, manly, and manly speech in the Senate, to-day, on the proposition to appoint a Joint Committee on Federal Relations, in compliance with the request of the Assembly. It will be reported that Mr. Robinson's resolutions, instructing our Senators and Representatives to surrender all territory South of 36° 30', that is New-Mexico, Arizona, &c., to Slavery, as a means of inducing traitors to behave themselves, was referred to a Special Committee of Federal Relations in the Assembly. Subsequently the Assembly appointed a Committee to meet and act with the Senate on the subject.
